Born free, as free as the wind blows,
as free as the world still allows.

Live free, and beauty surrounds you,
the world still allows.

Grass grows, born free to follow your heart,
each time you look at a star.

Stay free,
where no walls divide you, you're free as a roaring tide so there's no need to hide.

Born free, and life is worth living, but only worth living 'cause you're born free.
